

EMPOWERING INFUSION NURSES IN RHEUMATIC DISEASE CARE

Calling all NICA Members!

*Enhance Your Knowledge,
Elevate Your Care*

Join the Rheumatology Nurses Society (RNS) and gain exclusive access to comprehensive disease state education on rheumatic diseases, empowering you to provide exceptional care to your patients receiving infusion therapy.

Benefits of RNS Membership for NICA Members:

• **Infusion-Based Disease Education:**

- Expand your expertise with specialized education focused on rheumatic diseases, infusion therapies, and cutting-edge treatment approaches.

• **Discounted RNS Membership:**

- Enjoy reduced membership fees as a NICA member, unlocking valuable resources, educational materials, and professional growth opportunities.

• **Network with Peers:**

- Connect and collaborate with infusion nurses like yourself by joining or leading a local RNS chapter. Share knowledge, experiences, and best practices in rheumatic disease care.

• **Stay Informed:**

- Receive the latest updates, research advancements, and industry news through RNS publications, webinars, and conferences.

Ready to Take the Next Step?

Elevate your infusion practice, advance your career, and make a difference in rheumatic disease care through the power of the RNS and NICA partnership.

Practice Group Membership: Learn how your whole practice can become an RNS Group Practice Member by emailing: sponsorships@rnsnurse.org

Individual Membership: For more information on individual RNS memberships, email: members@rnsnurse.org
