#NICA2026

The Premier Conference For Companies Seeking Connections In The Infusion Industry

Dear NICA Community,

After the energy and momentum we shared in Miami for NICA2025, it's hard to imagine a more electric gathering of stakeholders from across the infusion care continuum. With nearly 1,300 attendees, impactful sessions, meaningful policy victories, and countless new partnerships formed, NICA2025 was a defining moment for our industry — and a powerful reminder of what's possible when we come together with shared purpose.

But we are just getting started.

As we turn toward NICA2026, we're focused on taking that momentum even further. With our 2026 conference theme—an Art Heist Adventure—we're setting the stage for a creative and engaging experience that encourages attendees to unlock new strategies, ideas, and partnerships. This conference is our opportunity to convene the infusion care community, deepen collaboration, elevate clinical education, and define what excellence looks like across our field. We also hope to engage new voices, including payers, in the important conversations that will shape the future of this delivery channel.

But realizing that vision depends on all of us.

We need your continued investment in NICA — to expand our capabilities, strengthen our advocacy, and preserve access to this cost-effective, patient-centered model of care. We need you to engage in policy reform, improve internal operations, and embrace best practices that align with NICA's Standards of Excellence.

Together, we are building something bigger than any single organization — a sustainable, high-performing market for provider-administered medications that delivers value for patients and the healthcare system alike.

Explore this prospectus to see how you can be part of NICA2026. I look forward to seeing you there.

Please reach out to us at events@infusioncenter.org with any questions.

With gratitude and resolve,

Brian Nyquist
President & CEO
National Infusion Center Association

Who We Are

The National Infusion Center Association (NICA) is a nonprofit trade association and the nation's voice for non-hospital, community-based infusion providers who offer a safe, more efficient, and more affordable alternative to hospital care settings for provider-administered medications.

WHY NICA?

Our efforts are focused on delivery channel sustainability and expansion, buy-and-bill protection, maintaining net positive reimbursement, improving treatment adherence, and promoting patient safety and care quality.

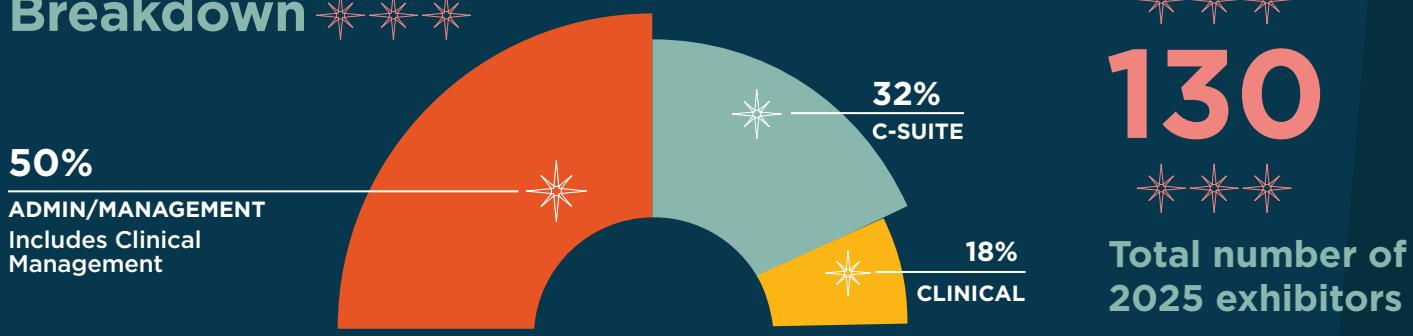

We support policies that improve drug affordability for beneficiaries, increase price transparency, reduce disparities in quality of care and safety across care settings, and enable care delivery in the highest-quality, lowest-cost care setting.

WHAT WE DO

NICA has been the nation's voice for infusion access since 2010, overcoming countless barriers to care, access obstacles, and threats to our nation's non-hospital, community-based delivery channel for provider-administered medications. Our team is focused on reversing the immediate threats that carry profound economic implications for providers and significantly reduce access to care.

Our goal is to help decision-makers understand the value of receiving provider-administered medications in non-hospital care settings and ensure that the community-based infusion center remains a safe, more efficient, and more cost-effective alternative to hospital care settings.

2025 Registration Breakdown

Review Of Previous NICA Conferences

The NICA Annual Conference continues to experience strong and sustained growth. In June 2025, NICA welcomed over 1,200 market leaders and infusion professionals to the iconic Fontainebleau Miami in Miami Beach. As the only national event specifically focused on the provider-administered medication channel, the NICA Annual Conference continues to receive overwhelming support from the infusion distribution and services community.

During the two-day event, attendees engaged in more than 24 expert-led sessions and roundtables featuring some of the most respected thought leaders and operators in the infusion industry. In addition to educational programming, participants had multiple opportunities to connect and network through evening receptions, educational dinner programs, and interactive experiences in the exhibit hall.

NICA 2026: Learn, Network & Grow

The National Infusion Center Association Annual Conference is the only conference focused on the professional development of providers, practice managers, advocates, and other professionals with a stake in the medical benefit drug market. Attendees will explore conversations critical to a successful infusion operation through our diverse breakout sessions and workshops.

Clinical Excellence

We listened to your feedback and for 2026, we've adjusted the schedule.

The conference will now take place Thursday - Friday (July 9-10, 2026), instead of the historical Friday - Saturday format.

Continuing Education

For more information about the Foundations of Excellence" seminar, please visit our website.

[CLICK HERE](#)

Prior to this year's conference, we are excited to offer a day of dedicated nursing management education on Wednesday, July 8, with our "Foundations of Excellence" seminar. This full-day workshop equips target leaders and managers with advanced strategies for optimizing infusion nurse onboarding, implementing best practices in preceptorship, competency validation, and personnel management requirements. Participants will earn continuing nursing education contact hours while gaining practical tools and insights from experts to enhance their training programs and support nurses effectively. Whether refining existing processes or developing new strategies, this workshop will equip participants with the knowledge and skills needed to drive excellence within their teams.

Limited spots available.

“Ask An Advocate” Booth Sponsor | **\$10,000**

NICA will host an “Ask An Advocate” Booth outside of the exhibit hall at NICA2026, providing a dedicated space where infusion providers can learn about advocacy opportunities, sign up for action alerts, ask questions about policy issues, and connect directly with NICA’s advocacy team.  **For more information, see Page 13.**

Operational Excellence Training

New for 2026, we’re offering dedicated operational training sessions tailored to infusion center operators—covering everything from compliance and workflows to staffing, procurement, and payer strategies.

Call for Abstracts

NICA is accepting abstract submissions for clinical, operational, and research-based topics. This expanded format allows for greater inclusion of data-driven content and emerging best practices across the infusion industry.

Wellness Experience

To help attendees recharge, NICA 2026 will feature an optional sound bath experience—designed to promote relaxation and mental clarity amid the busy conference schedule.

CE Credits

Continuing nursing education contact hours will be available, allowing attendees to earn credits while learning from industry experts. NICA also anticipates offering CRNI® recertification units (RUs) for select clinical sessions through the Infusion Nurses Society (INS), pending 2026 approval.

TOAST

The Infusion Access Foundation’s TOAST: Together for Treatment Gala will once again coincide with the NICA Annual Conference on July 8, 2026. As NICA’s sister organization, IAF works to ensure patients have access to provider-administered treatments. TOAST offers a premier opportunity to network with industry leaders, learn about IAF’s impact, and support patient programs.

The NICA Infusion Center of Excellence (NICE) Experience will also return, providing an interactive look at the NICA Standards of Excellence and showcasing best-in-class products and equipment.
